

## SEYCHELLES ENERGY COMMISSION

### **To all PV installers and the General Public**

The Seychelles Energy Commission would like to inform all PV installers and the general public that as of 1<sup>st</sup> September 2017 there will be a new process in for those wishing to install a PV system up to 100kW. All new PV application needs to be made at the Seychelles Energy Commission (SEC) instead of the Public Utilities Corporation (PUC).

This is in accordance with Section 25 of the Energy Act 2012 which states that,

***‘A person shall make an application to the Commission for a registration certificate as auto producer, auto producer group, co generator, Independent Power Producer, transmission or distribution operator in the form and manner prescribed by regulations.’***

The new application form is available at the Seychelles Energy Commission or on its website [www.sec.sc](http://www.sec.sc)

Note that the application form is free of charge

For more information please do not hesitate to contact Ms. Bernice Charles at the Seychelles Energy Commission on 4610825 or email [bcharles@sec.sc](mailto:bcharles@sec.sc) or drop by the Commission’s office located in Block B, Unity House, Room 307/308, Victoria, for a copy of the new application form.

***NB: The application process and form are subject to change as and when the SEC sees the need to implement new changes.***
